

About IMQ GULF

IMQ GULF is a notified body (NB 0023) recognized by the UAE Ministry of Industry and Advanced Technology (MoIAT) to issue Certificates of Conformity for regulated products and verify compliance with applicable UAE technical regulations and standards prior to import or distribution within the UAE. In line with MoIAT's implementation of the UAE Product Conformity Assessment Schemes, manufacturers, importers, distributors, and traders are required to obtain product certification through a notified conformity assessment body. With extensive expertise in product conformity assessment and certification services, IMQ GULF supports businesses in achieving compliance with UAE regulatory requirements for ECAS and EQM certification schemes. Applications for product certification can be submitted through MoIAT's official Certification Portal (<https://sso.moiat.gov.ae/>)

For further information and certification support, please contact IMQ GULF. MoIAT administers the UAE conformity assessment framework through ECAS and EQM schemes to ensure regulated products comply with approved safety and quality requirements before entering the UAE market.
